SPEAKER LUEDTKE: The Savage specific amendment is adopted.
Senator Savage.

SENATOR SAVAGE: Mr. Speaker, I move that it be returned to
E & R for Engrossing.

SPEAKER LUEDTKE: The motion is to return LB 238 to E & R for
Engrossment. Any discussion?

SENATOR SAVAGE: I hope for the last time. I wore this bill
out bringing it back and forth.

SPEAKER LUEDTKE: All those in favor say aye, opposed nay.
LB 238 is returned to E & R for Engrossment. That will con-
clude...we still have a couple of matters to take up on
Select File but we've gone way beyond the time, gone almost
a half hour beyond the time we said we would put on Select
File. We'll now...do you have some things you want to read
in at this point?

CLERK: Mr. President, the Banking, Commerce, and Insurance
Committee gives notice of an executive session at 3:15 today.
Signed Senator DeCamp. Mr. President, read Standing Committee
Report from Business and Labor on page 1567 of the Journal.
LB 535 placed on General File. Signed Senator Maresh, Chairman.
Mr. President, Senator Warner asked unanimous consent to have
printed amendments to LB 532. (Refer to page 1568). Mr. Presi-
dent, Senator Keyes asked unanimous consent to print amendments
to LB 510. (Refer to page 1568).

SPEAKER LUEDTKE: We are now ready for...Senator Newell would
you turn your light out? It confuses us by being on. We are
now get to General File and get back on the pending bill,
LB 290.

CLERK: Mr. President, LB 290 was considered yesterday. The...
Mr. President, we had under consideration the Standing Com-
mittee amendments. Senator Labeledz offered amendments to those
Standing Committee amendments. The amendments as amended are
now pending before the Legislature.

SPEAKER LUEDTKE: The amendment as amended is before the
Legislature, right?

CLERK: While the committee amendments are pending, Senator
DeCamp moves to strike the Labeledz amendment.

SPEAKER LUEDTKE: There is a motion to strike the Labeledz
amendment. Senator DeCamp.

SENATOR DECAMP: Mr. President...

SPEAKER LUEDTKE: Senator Dworak.

SENATOR DWORAK: To just strike an amendment that was just
adopted or doesn't that striking have to have significant
change? Or we're just adopt an amendment, strike an amendment,
adopt an amendment? It seems to me that last year we ruled
that you couldn't have an amendment just to strike an amend-
ment. It had to significantly change the amendment in some
way.
